Mad Max meets Crocodile Dundee

Based on the novel by Evan Green, helmed by top Hollywood director Simon West, this is the story of a race… the longest, toughest and craziest race in the world… a 10,000 mile event, right around Australia. **Read more**

There were 3 Redex Trials in the 1950s: our story combines actual real life and fictional characters, with a big US-based angle, weaving a hilarious and gripping adventure that might have happened, had there been a fourth.

Please view our document below by clicking on any image and then navigating through the four pages.
